January 2012

Note:

The information contained on this listing reflects our information as of the date noted above. Please be aware that homes open and close, and terms and conditions change on a regular basis. For the most up to date and accurate information, please contact the licensee directly and review the license posted in the home.

This listing will be updated several times throughout the year. Please report any errors to the Regina Office at (306) 787-1715 or the Saskatoon Office at (306) 933-5843.

Ministry of Health Personal Care Homes <http://www.health.gov.sk.ca/personal-care-homes>

Definitions:

1. **Residents at Risk of Wandering:** any resident with a long-term memory deficit or any other condition where a resident has demonstrated a tendency to wander. This includes, but is not limited to, conditions such as Alzheimer Disease, stroke, etc.
2. **Specialized Care:** health care services provided by health care professionals that are required by a resident, but does not include personal care.
3. **Authorized Capacity:** the maximum number of residents permitted to be accommodated in a home as stated on the licence.
4. **Conditions:**
 - All licences have a condition that requires them to operate in accordance with the most recent edition of the Licensees' Handbook.
 - Other conditions on a licence may: clarify what care can and cannot be provided in the home, identify actions that the licensee is taking, etc.
5. **Light Care:**
 - Resident is independent with personal care. May need reminders and cueing.
 - Minimal specialized care (e.g. supervising a resident with their own specialized care).
 - Independent with transfers and mobility.
6. **Intermediate Care:**
 - Supervision of behaviour.
 - Supervision and some assistance with personal care.
 - Assistance with specialized care.
 - Supervision and/or one person assist transfers and/or mobility.
7. **Heavy Care:**
 - Frequent supervision of resident due to emotional, behavioural or physical needs (e.g. palliative).
 - Direct assistance with all personal care.
 - Two person assist or mechanical lift with transfers and/or mobility.
