Request for Access Reports for PIP, PACS and SLRR**

I, the undersigned, understand that (an) access report(s) may be provided to me upon request which detail(s) if/when my personal health information was accessed and by whom for the Pharmaceutical Information Program (PIP), the Picture Archiving and Communication System (PACS) and the Saskatchewan Laboratory Results Repository (SLRR).

_____ I request that an Access Report for my PIP profile be completed which details all access history during the preceding ____ months, and that the report is mailed to the address specified below.

_____ I request that an Access Report for my PACS profile be completed which details all access history during the preceding ____ months, and that the report is mailed to the address below.

_____ I request that an Access Report for my SLRR profile be completed which details all access history during the preceding ____ months, and that the report is mailed to the address below.

_____ Signature of Applicant	_____ Signature of Agent if required
_____ Date Signed by Applicant	_____ Date Signed by Agent

If you are signing as an agent for the applicant, please include evidence of your authority (ex. guardianship order, power of attorney, etc.).

_____ Printed Name of Applicant	_____ Address of Applicant
_____ Health Services Number of Applicant	_____ City / Town Postal Code
_____ Date of Birth of Applicant	_____ Phone number of Applicant or Agent during business hours

Please forward this form to:

**eHealth Privacy Service
Suite 360, 10 Research Drive
Regina, SK S4S 7J7
Fax (306) 798-0897**

Email: privacyandaccess@ehealthsask.ca

Original paper copies and legible fax copies or document scans will be accepted

These access reports will be forwarded to you by ordinary mail in an envelope addressed to you stamped "CONFIDENTIAL". If you have any questions about masking, or any of the programs listed above, please call or email the eHealth Privacy Service at 1-800-667-1672, or 787-8963 in Regina or privacyandaccess@ehealthsask.ca. The eHealth Privacy Service administers global masking on behalf of these health information trustees: PIP - Ministry of Health, PACS - Regional Health Authorities, SLRR – Ministry of Health and Regional Health Authorities.

More information about privacy and eHealth programs can be found at www.health.gov.sk.ca/ehealth-privacy
